Dear Dr. Colvard:

I simply want to express to you my approval of your decision with respect to the participation by the Mississippi State University basketball team in the NCAA play-off.

This is the kind of forthright and realistic approach that more of us need to adopt in our state. I can assure you of my backing and support in this and all other decisions to enable our institutions to compete effectively in both the athletic and academic spheres.

Please call on me if I can ever be of any service to you in any way.

With best wishes, I am

Your friend,
